

Midsomer Norton
Schools Partnership

Are you interested in becoming a School Governor?

The Local Governing Body of Welton Primary School is looking to appoint two new community governors to join our dedicated team. Welton Primary is a popular semi-rural school set in the heart of the beautiful Welton valley. We are delighted to be part of the Midsomer Norton Schools' Partnership and work closely with the other primary and secondary schools in the trust for the benefit of the children at Welton.

The role of a governor is varied and interesting as we seek to set the vision, monitor the delivery of the school improvement plan and support the school to be the best it can be as part of the Midsomer Norton Schools Partnership Multi-academy Trust.

We are looking for people who have an interest in education and will be committed to taking on this valuable voluntary role. You will get full training in all matters connected with school governance and whilst the role is strategic, you will also receive an excellent view of how schools manage operationally. It is a hugely satisfying and fulfilling role as governors work in partnership with the school to foster change for improvement and seeing pupils achieve not only their potential but exceed expectations. It is an opportunity to develop your own skills of strategic leadership, chairing meetings, people skills and importantly governance.

The time commitment for this role will involve attending 6 Local Governing Body meetings per academic year (one per term), usually held from 6pm. You will also need to complete governor 'visits' at Welton - these can be arranged at a time to suit you.
