12th July 2021

Dear Welton Families,

Welton After School Club

As we near the end of term I wanted to let you know plans for the after school club (WACI). After many years running the club, Michelle and Katie are leaving at the end of this term - With thanks to them for all their hard work. From next term (September 2021) the after school club will be run and operated by the school rather than a separate organisation. This will ensure that the club is able to operate every day, hopefully providing consistency and reassurance for you as parents. In many ways, this will be very much like our Breakfast Club which is also run by Welton staff. Booking and payments will be made via ParentPay, once this has been set up.

The club will operate as it currently does from 3.15pm to 6.00pm daily. It will take place in the school dining hall which as you know, is conveniently located for access to the school playgrounds and playing field. Charges will remain the same as they currently do: £5 (3.15-4.15pm), £9.50 (3.15-6.00pm) and children will receive a light tea if they stay for the longer session. As we will be hosting this club ourselves, we are excited about some of the opportunities that we will be able to provide for your children! Indeed, children who do not usually attend may decide to join some sessions, just for the chance to play with their friends and take part!

Finally, we feel it is also a good time to re-name the club so if your child has any good ideas, do please let us know!

With kind regards,

Mr J Snell
