Date of Risk Assessment: 13th July 2020 Updated 26th April 2021

Signed (Head teacher)

Signed (Chair of governors): *S Scarborough*

Covid-19 is an illness that can affect your lungs and airways. Symptoms can be mild, moderate, severe or fatal. This risk assessment is for pupils, teaching and support staff and should be adapted by each of MNSP schools. The document must be adapted to reflect the unique circumstances in your school. You need to add any additional controls and indicate who is responsible, by when and indicate when in place (ie you must complete the last 3 columns) There is an expectation that staff will work at a distance from each other and from pupils as much as possible. If staff are working totally alone in the school, please ensure that a lone-working assessment has been undertaken and safeguards put in place for that person. You will need to review other risk assessments you have in place, for example use of equipment and practical lessons.

HAZARD: Spread of Covid-19 Coronavirus

Who Might be harmed:

- Staff
- Pupils
- Visitors to your premises
- Contractors
- Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions
- Anyone else who physically comes in contact with another person

	<p>First aiders will be briefed on handling suspected Covid19 illness that occurs in school. This will be included in the revised staff 'Return to school' information booklet.</p> <p>PPE will be available for first aiders including face masks and gloves and these will be stored centrally outside the back office (quarantine room)</p> <p>The cleaning team will be briefed on cleaning arrangements following first Aid and suspected Covid 19 illness.</p> <p>In general, most bumps and scrapes in school can be managed from a safe distance - that is children will be supported and encouraged to self clean any minor bumps. The wellbeing of our children is paramount so staff will be provided with PPE if close contact is needed.</p>	<p>JS</p> <p>JS</p> <p>JS</p> <p>JS</p>	<p>29th August 2020</p> <p>Delivered and ready by 29th August 2020 22nd August 2020</p>	<p>March 2021 (JS)</p>
<p><u>Staff working</u></p> <p>All staff are expected to be able to work in school from January. Those in vulnerable or extremely vulnerable groups, including BAME, should discuss any changes to working practices to mitigate risk. Schools will follow the government guidelines.</p> <p>Advice for those who are clinically-vulnerable, including pregnant women, is available.</p>	<p>The headteacher is aware of members of staff in these vulnerable groups and will ensure safe working practices are implemented and additional measures are considered if these are needed.</p> <p>For staff who are pregnant, an additional risk assessment will be completed.</p>	<p>JS</p>	<p>By 8th March 2021 and ongoing.</p>	<p>All staff have reported that they are fit to work.</p> <p>8th March 2021</p>

<p>Advice for those who are extremely clinically vulnerable can be found in the guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19.</p> <p>Some people with particular characteristics may be at comparatively increased risk from coronavirus (COVID-19), as set out in the COVID-19: review of disparities in risks and outcomes report.</p>	<p>All members of staff are expected to return to school.</p>			
<p><u>Hand Washing</u></p> <ul style="list-style-type: none"> • Hand washing facilities with soap and water will be in place. • Regular hand washing will be taking place. • See hand washing guidance. • https://www.nhs.uk/live-well/healthy-body/best-way-to-wash-your-hands/ • Drying of hands will be with disposable paper towels rather than dryers • https://www.nursingtimes.net/news/research-and-innovation/paper-towels-much-more-effective-at-removing-viruses-than-hand-dryers-17-04-2020/ • Gel (alcohol-based) sanitisers will be available in any area where washing facilities are not readily available including in classrooms, reception, staff rooms 	<p>Staff and pupils will be reminded on a regular basis to wash their hands for 20 seconds with water and soap and the importance of proper drying with disposable towels. They will also be reminded to catch coughs and sneezes in tissues – Follow Catch it, Bin it, Kill it and to avoid touching face, eyes, nose or mouth with unclean hands.</p> <ul style="list-style-type: none"> • Posters (appropriate to setting) are displayed throughout the school reminding pupils to wash their hands for 20 seconds • Pupils must wash/sanitize their hands on arrival, before and after break and having lunch, after sneezing/using tissue. • There will be support for pupils who have trouble washing their hands independently We will encourage young children to learn and practise these habits through games. 	<p>JS/DL/All staff</p> <p>Posters/hand sanitizers - JS/Cleaners</p>	<p>All key pre 8th March communication to staff will highlight the need to wash hands regularly.</p> <p>From 8th March ready for return, all posters updated/refreshed and posted up around key parts of school. To be completed 8th March 2021.</p>	<p>Checked 4th March 2021 (JS)</p>

	<p>songs and repetition using the online resources from ebug and BBC. School will continue to reinforce the mantra: 'Hands Clean, Make Space, Stay Safe.'</p> <p>Handwashing for everyone on the school site should take place frequently with soap and water for 20 seconds and dry thoroughly and always at the following times:</p> <ul style="list-style-type: none">• on arrival at school• before and after eating• Before and after playtime and lunchtime• after sneezing• after touching any classroom equipment that is shared by others <p>Hand sanitizers are available in every classroom for times when soap and water cannot easily be used. The sinks in Robin (Y1), Kingfisher (Y3), Eagle (Y6) and Hawk (Y5) classrooms should be used for handwashing for the classes in those rooms. Rooms without their own sinks have been provided with hand sanitiser stations for use if necessary.</p> <p>We recognise that washing hands with soap and running water is still the most effective way to keep hands clean.</p> <p>Classrooms will be well ventilated with windows open as appropriate.</p>		<p>Cleaners will fill up stocks of towels, soap and hand sanitizers on a daily basis from 8th March 2021.</p>	
--	---	--	---	--

<p><u>Cleaning</u></p> <p>We will follow the COVID-19: cleaning of non-healthcare settings guidance COVID-19: cleaning of non-healthcare settings guidance</p> <p>There will be frequent cleaning and disinfecting of objects and surfaces that are touched regularly particularly in areas of high use such as door handles, light switches, reception area using appropriate cleaning products and methods. Also requiring more regular cleaning will be toys, books, desks, sinks, toilets and handrails. Doors can be left open to prevent the more frequent use of handles provided these are not fire doors.</p>	<p>Headteacher/senior leader to check that cleaners are aware of guidance and have an appropriate regime – reminder from previous training and guidance pre January 1st.</p> <p>Where possible, Headteachers will organise cleaning through the school day so that regularly touched surfaces can be wiped down regularly and bins emptied more frequently. Cleaning resources will be available in all classes including wipes for wiping any computer equipment used. UPDATE 31.01.20: All toilet handles/taps/flushes will be anti-bac wiped before and after lunch from Term 2. This will continue Term 3.</p> <p>We will prepare a checklist which can be ticked and monitored by the JS/DL as part of daily/weekly checks. SLT to sign this off each week. Caretaker to also check for supplies and procedures followed.</p>	<p>JS</p> <p>JS</p> <p>JS/DL</p>	<p>All stocks and supplies of cleaning materials and school site clean by 8th March 2021 and then daily.</p> <p>22nd August 2020 Updated 4th March 2021</p>	<p>8th March 2021 (JS)</p> <p>*We are reducing the number of classrooms in use.</p>
<p><u>Social Distancing for staff</u></p> <p>Social Distancing: We will follow the relevant guidance on social distancing.</p> <p>Ideally, adults should maintain 2 metre distance from each other, and from children. This will not always be possible, particularly when working with younger children, but we will encourage adults to do this when circumstances allow. In particular, they should avoid close face to face contact and minimise time spent within 1 metre of anyone.</p>	<p>To help reduce the spread of coronavirus (COVID-19) we will be reminding everyone of the public health advice - https://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance</p> <p>Posters, leaflets and other materials will be displayed prominently https://www.gov.uk/government/publications/guidance-to-employers-and-businesses-about-covid-19</p>	<p>JS/DL</p> <p>JS/DL</p>	<p>Previous plans for returning to school which will also cover the need for social distancing have been reshared.</p>	<p>8th March 2021 (JS/DL)</p>

<p>As far as possible, desks, telephones and computers will not be shared. Where offices are shared and the necessary distances are not possible then we will provide separation of these areas, with physical barriers or find alternative space to relocate the work.</p> <p>Support staff may be asked to undertake tasks which may be different from normal day to day routine but which are commensurate with their job role or processes may need to change to incorporate social distancing.</p> <p>Social distancing also to be adhered to in the canteen area and staff room and during any rest breaks.</p> <p>Staff are often required to meet parents and representatives from other organisations as part of</p>	<p>Checks need to be carried out by JS/DL and Key Stage leaders to ensure these are still prominently displayed.</p> <p>Staff to be reminded on a daily basis of the importance of social distancing both in the workplace and outside of it. This will form part of the updated 'Return to school' booklet produced for staff. Staff will not be working across the school in different areas/bubbles although if it is necessary for a staff member to visit another bubble to ensure the smooth operation of the school, then they should be aware of social distancing and, ideally, not enter the classroom/space.</p> <p>Management checks will take place to ensure this is adhered to through visual checks during the school day and speaking to colleagues.</p> <p>A clear timetable for short staggered start and end times will be included in the 'Return to school' information booklet for staff.</p> <p>If desks and computers must be shared due to reception rota, for example, these should be wiped between users with alcohol based wipe or other appropriate cleaner.</p> <p>Steps have been taken to ensure that the same members of staff are only using certain classrooms and areas of the school. This includes rest areas which have been planned so that staff</p>	<p>JS/DL</p> <p>JS</p> <p>JS/DL</p> <p>JS/DL</p> <p>JS</p> <p>JS/DL</p>	<p>From 8th March class layouts and staffing across the school have been planned with social distancing measures in mind. This will be particularly relevant for breaks - refreshment stations have been planned for the staff covering year groups in school. The Staffrooms will not be used by all staff at the same time.</p> <p>From 8th March, daily social distancing</p>

<p>day to day essential work. Staff must continue to follow social distancing during meetings, using larger airy spaces when possible. Non-essential meetings will not take place or may be held over the telephone or using Google Meet. If documents need to change hands during any essential meeting, care should be taken to wash hands afterwards.</p> <p>Face-to-face meetings, if they must happen, should only include “absolutely essential” participants, who should remain two metres apart.</p> <p>Staff at reception areas should be able to rearrange their work space to enable them to maintain a distance from visitors. Hand gel will be available on reception and should be used by all visitors to the school. Pens for signing in will not be shared.</p>	<p>do not need to congregate in one staffroom. It is important however that staff are constantly aware of their social distancing during times of ‘break’ to ensure that they do not increase contact, especially in the designated rooms. If necessary, staff will need to use their own classrooms as a safe space.</p> <p>The whole year group will be out at the same time using a designated area/zone of the school grounds whilst being reminded of being socially distant. A daily rota will be provided based on the three ‘zones’ so that children will be able to play in a different playground (top or bottom) each day.</p> <p>We ask that all staff remain vigilant and remind children of the school mantra at all times. - Hands clean, Make space, Stay safe. Staff refreshment and comfort breaks will be timetabled.</p> <p>Children should be especially supervised when leaving and returning to the school to minimise contact between bubbles. The timetable has allowed us to ensure that the children leaving the classes are able to do this safely with social distancing.</p> <p><u>Lunchtime organisation</u></p> <p>Children will continue to eat in classrooms. Tables should be anti-bac wiped before and after lunch. The MNSP will be providing a hot meals as in</p>	<p>JS/DL/Staff</p>	<p>monitoring checks will be carried out by SLT.</p> <p>In plans shared with parents 14th July it is clear that parents will not be entering the school building.</p> <p>From 8th March, any visitor to the school reception will be encouraged to talk through the telecom and if necessary to enter the school, will only enter the corridor where the office window will remain</p>	
--	---	--------------------	---	--

	<p>Term2. These will arrive in separate containers so can be easily handed out to children in classrooms. It may be that a film or programme could be on the whiteboard at this time.</p> <p>Update: SMSAs have been deployed around the school to ensure safe supervision of children. All children will eat in classes at midday and then go outside together. Children will be allocated an area of the playground (3 zones) so that children will be able to play in their bubble groups and see other children, to help develop a sense of community.</p> <p>Staff will not invite parents or other agencies to site unless it is absolutely essential and business cannot be satisfactorily conducted by telephone/on-line. All necessary visitors should be expected and reminded ahead of their visit that social distancing arrangements will be in place UPDATE 31.10.20: Masks will be compulsory to be worn by any visitors. Cover teachers and other agencies essential to supporting pupils will be welcomed to site but expected to comply with rules in place. A copy of this risk assessment and staff procedure document will be shared with the supply agencies in preparation for Sept 1st 2020.</p> <p>We will continue to ensure that no visitors will be allowed onto the school site except emergency services, social services, MAT personnel but also now allowing supply teachers and sports coaches who will also be submitting their own risk</p>		locked closed at all times.

	<p>assessments before being allowed on site. They will also be responsible for cleaning equipment before and after use. Only equipment stored at Welton will be used.</p> <p>Any visitors to the school will be communicated with through the intercom system to reduce the need to enter the school. If a visitor needs to enter, they will remain in the school corridor and the office windows will remain closed. Any deliveries will likewise be brought into the school entrance corridor.</p>			
<p><u>Social Distancing and reduction of mixing – pupils</u></p> <p>Consistent groups reduce the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group.</p> <p>Whatever the size of the “bubble”, they should be kept apart from other groups where possible and older children should be encouraged to keep their distance within groups. Where possible, we will limit interaction, sharing of rooms and social spaces between large groups.</p> <p>(Younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group).</p> <p>We will make adaptations to the classroom to support distancing where possible. This will include</p>	<p><u>Update:</u></p> <p>At Welton, we have single year group classes. Each of these classes have been put into larger ‘bubbles’ to enable children to have maximum enjoyment at playtimes while also mitigating any risks. These classes are also geographically close in the school building and share the same facilities e.g. cloakrooms. It is for this reason that we have combined the classes at playtimes/lunchtimes as follows:</p> <p>YR and Y1</p> <p>Y2 and Y3</p> <p>Y4, Y5 and Y6.</p>	<p>JS/DL plan, All staff to follow.</p>	<p>The larger bubbles are an update to the previous risk assessment.</p>	<p>26th April 2021 (JS/DL)</p>

<p>seating pupils side by side and facing forwards, rather than face to face or side on.</p> <p>We will remove unnecessary furniture out of classrooms to make more space.</p> <p>The timetable will be adjusted to keep groups apart and movement around the school to a minimum.</p> <p>Schools should also consider staggered break times and lunch times (and time for cleaning surfaces in the dining hall between groups).</p> <p>We will ensure that pupils only mix in a small, consistent group and that small groups will stay away from other people and groups. As far as possible the group will remain in the same area and avoid using areas already used by other groups.</p> <p>Soft toys and items that are difficult to clean will be removed from classrooms.</p> <p>We will consider the best place and timings for lunch. If it is not possible to provide sufficient distance and in order to prevent mixing of groups, lunch may be brought into the classroom.</p> <p>Resources that are shared between classes or bubbles, such as sports, art and science equipment will be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to</p>	<p>Teachers and other staff will use age appropriate ways to encourage children to follow social distancing, hand-washing and other guidance. They should encourage parents/carers to reinforce these messages at home, by asking them to remind their children. Our school mantra will be shared in posters and online with all our school community: 'Hands Clean, Make Space, Stay Safe.'</p> <p>Equipment, toys and surfaces will be cleaned and disinfected more frequently however we will not be using equipment that cannot be cleaned easily. Any equipment, e.g. maths resources that are to be used will then be put in a classroom container for cleaning at the end of the day. Any books that are used will be kept out of circulation until the end of the week until they are then able to be reintroduced to the children the following week.</p> <p>We will make adaptations to the classroom to support distancing where possible. This will include seating pupils side by side and facing forwards, rather than face to face or side on. We will remove unnecessary furniture out of classrooms to make more space.</p> <p>Children should have their own designated space to work at. Children should not move about the classroom during the school day.</p> <p>Soft toys and items that are difficult to clean will be removed from classrooms.</p>

<p>be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. Practical lessons where these take place will need to have their own risk assessments reviewed.</p> <p>Groups should be kept apart, so there will be no large gatherings including assemblies with more than one group.</p> <p>For individual and very frequently used equipment, such as pencils and pens, staff and pupils will have their own items and these will not be shared.</p> <p>Classroom based resources, such as books and games, will be shared within the bubble but will be regularly cleaned along with all frequently touched surfaces.</p> <p>As advised, we will not hold assemblies.</p>	<p>Classroom based resources, such as books and games, will be shared within the bubble but will be regularly cleaned along with all frequently touched surfaces.</p> <p>Resources that are shared between classes or bubbles, such as sports, art and science equipment will be cleaned frequently and meticulously (always between bubbles), or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles.</p> <p>For individual and very frequently used equipment, such as pencils and pens, staff and pupils will have their own items and these will not be shared. <p><u>Arrival and leaving school</u> To support social distancing and to avoid gatherings we will stagger the arrival of pupils at school (if possible).</p>	<p>From 8th March 2021, the bottom gate (safer route to school) will be open for all parents at the times presented. This will reduce congestion around the front of the school at these key times.</p> <p>As in Term 2, children will arrive at two arrival times: 8.45am and 8.55am.</p>	<p>JS/DL</p> <p>JS/DL</p>	<p>By 8th March 2021.</p>	<p>8th March 2021 (JS/DL)</p>

We will review entrances and exits to identify where a class has its own discrete entrance/exit that avoids contact with other groups.

We will review entrances and exits and nominate who should use each one in order to restrict the numbers at any one time.

Consideration will be given as to whether any different arrangements are necessary for the arrival of contractors to site.

We will have a process for removing face coverings when pupils and staff who use them arrive at school. Pupils must be instructed not to touch the front of their face covering during use or when removing them. They must wash their hands immediately on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom.

	Arrival time	Front of school arrival	Bottom gate arrival
YR	8.55am	Met at KS1 side gate by member of staff. Children on arrival to be supervised by staff lining up along the wall inside the KS1 gate.	Parent to accompany child up to EYFS playground via left hand path and met by a member of staff.
Y1	8.45am	Arrive at KS1 gate and children walk down the path and enter school via Y1 external classroom door.	Parent to accompany child up to Y1 external classroom door via right hand path and enter classroom.
Y2	8.45am	Arrive and enter at the front door.	Parent to accompany child to the corner of Bumbles playground and child to walk up the left hand path and enter school via KS1 side door.
Y3	8.55am	Arrival and enter via KS1 side gate and classroom external door.	Children walk up left side path and enter classroom external door.
Y4	8.55am	Arrival and enter via main front door.	Children to walk up right side path and enter school via KS2 side door.

Y5	8.55am	Arrival and enter via KS2 gate and enter KS2 side door.	Children to walk up right side path and enter school via KS2 side door.
Y6	8.45am	Arrival and enter via KS2 gate and enter KS2 side door.	Children to walk up right side path and enter school via KS2 side door.

Children will leave school at two leaving times:
3.05pm and 3.15pm.

If a KS2 child is to leave school via the bottom gate, parents will wait on the bottom playground for their child to be dismissed from school. Times as above. A member of staff will be on duty. If a parent wishes to collect a KS1 child via the bottom gate, this will need to be pre-arranged with school so we can ensure safe collection.

If parents have children in more than one year group they should collect their children, at the correct gate, at the correct stated time. They may need to wait.

Pupils will only use their allocated toilets even during break and lunchtimes. No more than 1 pupil from each 'class' should be allowed to go to the toilet at one time. Visits to the toilet should be kept to a minimum to avoid children potentially coming together at times when they may be unsupervised.</p> <p>Children will use their nearest toilets and be reminded of good hygiene.</p>	<p>JS/DL</p>		
<p><u>Use of outdoor space</u></p> <p>When possible, we will use outdoor space as this can limit transmission and allow distance between children</p> <p>Outdoor equipment will be regularly cleaned and not used by multiple groups at the same time.</p> <p>Play time will take place in discrete groups. Where necessary the playground will be marked out into designated areas</p>	<p>We ask that all staff remain vigilant and remind children of the school mantra at all times. - Hands clean, Make space, Stay safe. Staff refreshment and comfort breaks will be timetabled.</p> <p>Update April 2021: As of April 2021, class bubbles at playtime have been combined into these groupings:</p> <p>YR and Y1 Y2 and Y3 Y4, Y5 and Y6.</p>	<p>JS/DL</p>	<p>By 18th August 2020 for sharing with staff.</p>	<p>18th July 2020 (JS/DL)</p>

	<p>Our risk assessment has concluded that these children playing together will not increase potential transmissions as their classrooms are geographically close in the school and these groups share the same cloakroom areas etc. In addition, playtimes are more enjoyable for the children who have greater satisfaction from playing with peers in other year groups. Children will continue to be reminded to maintain a safe distance.</p> <p>Only a selection of OPAL equipment will be used and then quarantined or cleaned after use by the SMSA team. Cleaning materials will be stored within the OPAL shed.</p> <p>Balls may be used (hands will be washed straight after playing).</p> <p>No close contact games e.g. touch tag (however safe alternatives to this game will be discussed with the children).</p> <p>Trim Trail will be used and cleaned after use with anti-bac cleanser.</p>			
<p><u>PPE: gloves</u></p> <p>When possible, spillages etc. should be cleared by the cleaning staff. If these staff are not available, then disposable gloves must be worn. Staff will be instructed on how to remove gloves carefully to reduce contamination and how to dispose of them safely.</p>	<p>Staff to be reminded that wearing of gloves is not a substitute for good hand washing and that gloves can also spread the virus.</p> <p>We do have supplies of PPE available for staff and they may choose to use this in certain situations to protect the children and themselves. <p>Gloves will be worn for the administration of all First Aid and for support children with toileting, nappy changing etc</p> <p><u>PPE: Face masks</u></p> <p>In non-health care settings there is currently no requirement or guidance for face masks. However, the schools will have disposable masks available for use should the guidance change and for situations where an urgent requirement to break the social distancing guidelines is required (in early years or primary setting or during first aid need for example). Those staff who wish to wear a face mask may request one.</p> <p>Staff should remember that current guidance emphasises good distancing and handwashing behaviours above all else.</p>	<p>cases, because of the arrangements that have been made, this will not be necessary. Face masks will be available in the back office should they need them.</p> <p>Should pupils wish to wear face masks then this should be accepted and if necessary explained to other pupils. Should a child arrive at school wearing a face mask they need to be instructed not to touch the front of their face covering during use or when removing it. If the mask needs to be removed, it should be disposed of in a covered bin in the classrooms or, in the case of reusable face coverings, placed in a plastic bag that can be taken home with them. Plastic bags will be provided by school. Hands should then be washed.</p>			
<p><u>Symptoms of Covid-19 – staff</u></p> <p>If anyone becomes unwell with a new continuous cough or a high temperature in the workplace they will be sent home and advised to follow the stay at home guidance and get tested.</p> <p>Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet.
