15<sup>th</sup> January 2021

Dear Families,

I just wanted to send you a short letter to say thank you once again for all your hard work in supporting the children over the last week. I've been so impressed with their attitude at this tricky time and in many cases, the quality of work has been exceptional. I do recognise the challenges that home learning brings, so do please ask if you require support - we are happy to help if we can!

Having enjoyed joining all Google lessons myself today - it was lovely to see the children - I thought I would also add my Google Classroom expectations for the next few weeks.

- I would rather children do not keep changing their virtual backgrounds as, in some cases, this can be a distraction to the lesson. Backgrounds, if used, should be sensible.
- Please encourage your child to sit up during lessons. While I recognise space in the home is often difficult to find, children should not be in bed or reclining during a live lesson. They should also be dressed for the day - not in obvious pyjamas.
- If your child is in YR, Y1 or Y2 particularly, please ensure you are in the area/room while they are online. In some rare instances, young children are being left on their own and showing unsafe behaviours.
- Please remember to 'turn in' work each day. You don't always need to add an attachment however 'turning in' lets the teacher know that work has been completed. You may add a comment if you wish. If you are unsure of this, please ask.
- If your child is ill and unable to complete the learning, please let the class teacher or school office know as you would during a normal school day.

I hope that these points can be shared with your children. We are all very proud of them so please also let them know how overwhelmingly happy we are!

As always, do make contact if needs be. I hope you have a safe and relaxing weekend.

Yours sincerely,

Mr J Snell
