

Welcome Back...

It was such a pleasure to welcome Robin Class back to the school building last week and they have all quickly slipped back into the classroom routines.

Once again thank you for all of the efforts that you put in during lockdown with home learning and for the support that you gave both the children and us as teachers.

We are sure that the families of children who were in school during lockdown will all agree that the support from Mrs Cockerill and Mrs Plumley was excellent.

As you will know from Mr Snell's correspondence things are pretty much as they were before Christmas. Please continue to read regularly and write in the home school reading record as well as complete weekly spellings. PE day is a Wednesday so please wear PE kits to school on those days. The children will need to wear layers under their uniform on cold days as we are keeping the windows open to ensure good ventilation. Please try to wash school uniform daily where possible and encourage handwashing before and after school. If your child or any of your family has any symptoms of covid19 please follow government procedure to self-isolate and test - keeping us informed of your intention to do this. This will help keep us all safe as we begin to unlock.

Those of you who are collecting their child from the bottom gate thank you for letting us know. As you are aware this cannot be changed on a daily basis unless there are exceptional circumstances.

As always if you have any questions please contact us via the school office.

Stay safe,

Kind regards

Robin Class Team
