14th July 2021

Dear Year 3 Parents and Carers,

We are pleased to send you your child's end of year report which you should receive on Friday 16th July. This has obviously been an unsettling year however we hope the school report really highlights the progress your child has made.

We hope you enjoy reading the report and seeing how much your child has achieved. We continue to be so proud of your children and their positive attitude to school life and learning - even through these difficult times. As in previous years, effort grades have also been included as we believe that it is helpful for you to know how much effort your child puts into each subject area. Our effort grades are: 1=Excellent, 2=Very good, 3=Good, 4=Satisfactory, 5=Poor. We hope most children put in at least good effort for each curriculum area.

By law we need to offer you a chance to talk about the report with your child's current teacher, if you so wish. If you would like this to happen, please contact the school office. We will then be in touch with you to arrange a convenient time for a telephone conversation.

With thanks for all your support this year. We recognise how difficult it has been and really appreciate the energy and effort you have gone to in supporting learning while at home. We know it has been difficult but all of us here at Welton would like to say a big thank you.

With best wishes,

Mr J Snell
Head Teacher

A message from Mrs Hartley.....

Hello - soon to be Kestrels,

I know we got to spend some time getting to know each other on Tuesday, 13th July but here is a photo of me for those who missed out on 'shuffle-up day'.

Here are some facts about me:

Likes	Dislikes
 <p>Playing table-tennis.</p>	 <p>It's only because I am scared of them...cows too!</p>
 <p>Toffees....mmm, mmm, mmm!</p>	 <p>Smelly cheese – not for me thank you!</p>
 <p>Reading a good book.</p>	 <p>It really bugs me when I lose something... I am always putting the whiteboard remote control down in the classroom!</p>

I am really looking forward to seeing you in September. We will have a lovely year 4 together. Yes, we have lots and lots to learn but we will also have so much fun! Top tips for over the summer holidays...

1. Read, read and read some more... it is so important to do this. It could be books - fiction or non-fiction, comics, comprehension papers, menus, recipes...or anything. It is even better if someone hears you read so that they can help you with the tricky bits. Try to read every day, maybe just a bit before you go to bed – it might help you to relax.
2. Learn you times tables inside out, back to front, this way and that way... focus on your 2s, 5s, 10s, 3s, 4s and 8s. If you are confident with these try your 6s, 7s and 9s.
3. Practise your writing skills – maybe keep a diary, or send a postcard/letter.
4. Have fun with your family and friends.

From your new teacher, Mrs Hartley
