14<sup>th</sup> July 2021

Dear Year R Parents and Carers,

We are pleased to send you your child's end of year report which you should receive on Friday 16<sup>th</sup> July. This has obviously been an unsettling year however we hope the school report really highlights the progress your child has made. Mrs Stevens and Mrs Mattingley have already been working closely with Mr Munro to ensure that any gaps in learning can be addressed in Year 1.

We hope you enjoy reading the report and seeing how much your child has achieved. We continue to be so proud of your children and their positive attitude to school life and learning - even through these difficult times.

We would like to offer you a chance to talk about the report with Mr Munro, if you so wish. If you would like this to happen, please contact the school office. We will then be in touch with you to arrange a convenient time for a telephone conversation.

With thanks for all your support this year. We recognise how difficult it has been and really appreciate the energy and effort you have gone to in supporting learning while at home. We know it has been difficult but all of us here at Welton would like to say a big thank you.

With best wishes,

Mr J Snell  
Head Teacher

## A message from Mrs Stevens and Mrs Mattingley...

Hello new Robin Families! My name is Mrs Debbie Stevens and I job share the year 1 class with Mrs Louise Mattingley. I have worked at Welton for nearly twenty years and believe it to be a very special place. My experience ranges across early years and key stage 1 but I particularly enjoy supporting children at the start of their primary school journey. I have one daughter- Lucy - who has just come to the end of her primary school years so it is particularly apparent to me right now how crucial this time is in laying the foundations for our young people. My hobbies are being in the outdoors but I especially love camping and messing around in the sea 'trying' to paddle board or kayak. I am really excited to get to know you and child further and welcome them into the Robin family. Have a wonderful summer.

Hello Robins and your families. My name is Mrs Louise Mattingley, the other half of the Robin Class Job Share with Mrs Stevens. The two of us have a lot in common really - we even share the same birthday, but I am older than her! Like her I have been at Welton for over 20 years and I also have a child in Year 6 just like Lucy! My youngest son is called Alfie - he's 11 - and I also have 2 older boys, Harry and Josh who are in their twenties now making me feel very old! I enjoy reading and the theatre, cooking- but not baking! - and going on long walks with my dog, Poppy! I can't wait to meet you in September and get to know you and your families as you become part of our Robin family.
