20th March 2020

Dear Parent/Carer

Arrangements for collection of Free School Meals

We want to ensure that all children who are eligible, continue to receive a free school meal during the period of school closure. You may have read in the press that there are plans for a national voucher scheme. This may take time to organise and we have therefore made arrangements to provide **packed lunches next week** for as many children as possible. For those of you who do not live within reach of the localities in the table below, we appreciate that you will not be able to collect the lunches and we will contact you directly as a priority with voucher information.

We will deliver lunches to local venues which we hope will be convenient for you and within a short distance of your homes. We will provide **3 packed lunches on Monday and 2 packed lunches on Thursday** to see your child through the week. A lunch comprises freshly-made sandwiches, fruit, cake and crisps as well as a carton of drink. The sandwiches will be safe to eat for 3 days when kept in the fridge. Please ask at the pick-up point if you require a gluten free or vegan sandwich.

Please use the table on page 2 of this letter to identify your home area and the location from which you should collect the lunches. **The collection point allocated to you is not necessarily the school your child attends.** There will be staff on hand at the venue to answer your queries. You need only give your child's name to collect the lunches.

We will write to you again with more information about future free school meals or vouchers. In the meantime, we do hope that you will be able to collect from the locations below.

Yours sincerely

Alun Williams
Chief Executive Officer

FREE SCHOOL MEAL COLLECTION POINTS
